UNIVERSITY OF MIAMI  
STUDENT GOVERNMENT SUPREME COURT

ADVISORY OPINION REGARDING CREATION OF SENATE SEAT FOR STUDENT  
EMPLOYEES

ASSOCIATE CHIEF JUSTICE ANTHONY HOFFMAN authored this Opinion.

ON FEBRUARY 9th, 2021, Senior Senator Randall T. Fitzgerald requested an Advisory Opinion regarding the potential creation of a new Senate seat for the constituency of student employees. The court finds this proposal to be wholly constitutional. However, the Court chooses not to issue an official opinion regarding the matter, as the prerogative to create a Senate seat resides with the Senate.
