Hello Dewayne –

Thank you for reaching out to our area directors regarding the posting of campaign materials in the Residential Colleges - we appreciate you seeking approval before posting. I am not sure why that information is included in the Election Codes since that is not our stance on graphic materials in our buildings.

Due to the volume of requests we receive from candidates as well as other student organizations, we do not allow printed materials from candidates/tickets to be posted in the residence halls. However, we are willing to receive a digital graphic from the SG Elections Commission regarding election details, perhaps with links to the various ticket websites/Facebook/etc. that we will email out to our resident students to inform them of the upcoming election.

I have copied the SG advisors as well as our Residential Life leadership team so that everyone is on the same page.
